# RIFLE CASES

These high quality cases come in seven sizes: 36",40",42",46",48", and 53" for scoped rifles; and 32",40",42", 45",48",50", and 53" for non-scoped rifles. All of them feature a 3/4" padding and a soft plush lining for the protection of your favorite weapon; as well as carrying handles, accessory pocket, shoulder strap, and full length heavy duty zippers. All cases are available in Hunter Green, Chocolate, Black, and some models are also available in Digital Camouflage. Every case is manufactured in the United States and strongly built to last. We use the very best of materials and double stitch our straps and handles for endurance and longevity. That is why our handles are specially made to wrap around the case and not like others, sewn at a determined spot to help save material, undermining the quality of the product. We are very proud of supporting the American industry and our high quality labor force.
